Banwell Buddies Sports Day

This year as in previous years Banwell Primary have kindly allowed us to hold our sports day on the school playing field. Parents are asked to come along to the field to ready to watch sports day at 11am on **Thursday 17th July**. Staff will accompany the children who are attending a session and ask that those who are not in attendance but wish to take part meet us on the field to start at 11am. If you are unfamiliar with the school grounds a member of the committee will be positioned at the school entrance gates on the hill to direct you. This is a fun day organised by the staff if you require any further information please speak to Enid or Pat. In the event of very bad weather this programme will be cancelled and children will take part in a small sports event inside the building.

Banwell Primary Sports Day

A reminder that as in previous years the children and staff have been invited to watch the school sports day taking place on **July 16th**. This can be a very exciting experience for the children, however it can also be quite confusing if they have older siblings who attend the school and parents watching the sports day. Therefore it is vital that everyone is aware of how this visit is organised. If your child attends on this day the staff will be responsible for walking children to school and for their care whilst on school grounds. We request that parents do not ask the children or staff if they can take them around the field, you may however sit with the group. We hope you can appreciate this is for safety reasons and if you have any queries please feel free to speak to a member of staff.

Term Dates

Our last session will take place on July 22nd we will then return for a new academic year on September 4th not September 3rd as previously stated.

We very much look forward to seeing those of you who will be joining us for another year and wish all our school leaver's the best of luck for their journey through school.
