**Term 6**

**July 2008**

## **OUT OF SCHOOL CLUB**

## **Club Sustainability**

Although the numbers using OSC have generally increased we are still worried about the sustainability of the club. We are applying to North Somerset to help but part of the submitted Business Plan is to increase the fees to and to stop the 1 hour option. We may need to narrow the gap on the second child fee. We, as a committee, are fully aware that whilst we all enjoy good quality and flexible childcare, some may not be able to afford the increase. Unfortunately we have to make these changes to apply for the Sustainability Grant.

So from September the fees will be £ Per session and £ for second child. This will also be in line with other clubs in the area and in line with the increase in the minimum wage.

## **Club Activities**

The children are enjoying some fun activities and all really enjoyed the trips to TP Toys and picnics on the Rec. Thanks to Enid, Jacky and Shirley for their varied planning.

## **OSC Sub-Committee**

The club is being managed by a sub-committee from the main Pre-school Committee. If you would like to get involved to help with the sustainability of **YOUR** club please see Jane Gomm or any of the staff.

## **Cancellation Period**

Could we remind parents to give us 24hours notice to cancel a place otherwise you will be charged. Also could all outstanding bills be paid by the end of term ready to start afresh in September.

## **Donations**

If you are having a sort out over the summer, we are always after DVDs or any toys for older children.

## **September re-start date**

We start back on 4th September so hope that everyone has a fantastic and relaxing summer holiday. If anyone knows what days they will need in September could they let Wendy know ASAP.

**Thank You!!**

**Have a Great Summer**
